

PARENTS -- HOW TO VIEW YOUR CHILD'S ACCOUNT INFORMATION

To check your child's account info, simply go to the home page, click the Membership button and then click "My Subscription"

Click Membership Information

Under Membership Info, you will see when your child's Membership was activated and when it will expire. You can renew his/her Membership from here as well. After the 3 Month Membership expires, each child will still be able to access D.A.R.E. HQ and play our free games and activities, just not the ones that are part of Membership Play.
