Your child may love to act or has a knack for selling things. Is so, they may want to make a TV commercial about one of their favorite items or even something they've made themselves! Those videos will be posted in LKTV's **"Star in your Own Commercial"** channel.

Making videos is fun! Our goal is for kids to have fun while learning to use their critical thinking skills in a creative and entertaining way. Lucky Kat's 4 Steps to Success is a great process for kids to use in all aspects of their lives. **DREAM, BELIEVE, PLAN & DO!**

How do your kids get started? It's easy!

Here are a few questions to help stimulate your child's imagination and creativity;

1. **DREAM** - DO THE DREAMING – Use your imagination and dream up an idea for your video!
What do you want your video to be about?
2. **BELIEVE** - DREAM THE DOING – Visualize in your mind how you'll create your video. Think positive and believe that you can do it! **Do you believe in yourself? Do you believe you can do this? Why?**
3. **PLAN** - PLAN THE DOING – You'll need to figure out where you'll go, what you'll say, who you'll talk to, how you'll record your story on video and then how you'll upload it to LKTV. It's very helpful if you write down a step by step plan on a piece of paper. **What is your plan? How will you do it?**
(You or your child may find it helpful to print the practice form located next to this Parent's Tab.)
4. **DO** - DO THE PLAN – Start with the first task on your list and follow your plan step by step until your video is complete! Once it's completed, you'll need to **UPLOAD YOUR VIDEO** to LKTV. Videos should be no more than 300MB or two minutes in length. Acceptable video formats: MVI, AVI, MPG, MOV, FLV, WMV, AVCHD.

You and your child will also need to decide who can view their video.

You have 3 options:

- **Password Protected** – You decide who can have your password to view your video
- **Members Only** – Only Lucky Kat Klub Members can view the video
- **Public** – Anyone registered with LKTV can view your video

We can't wait to see your child's video submissions! Please remember, all video stories will be posted on LKTV as long as they follow Lucky Kat's 4 Steps to Success & Lucky Kat's Good Citizenship Guidelines. However, LKTV reserves the right to refuse to upload any material we feel is not appropriate for LKTV for reasons including, but not limited to; content, technical difficulties and legal reasons.

Here are Lucky Kat's Good Citizenship Guidelines:

- Stories should have a positive message
- No swearing or bad language
- No mean acts towards other people or animals
- Stories should only cover topics that are safe for you or those around you

This is a great activity to do with your kids, so have fun with it!
